

# Painting a Sound Picture

## Celebrate the European Day of Languages with Sound Symbolism and Signs

What's new on the relationship between sound and meaning? How do people do bells and wipers in sound design systems? What are parents' favourite sound signs?

Find out about this and more on the European Day of Languages, September 26. Welcome to celebrate the wonders of language with language cake and new research from linguists Johanna Schelhaas and Pétur Helgason.

**Time:** September 26, 12.00-13:30  
**Place:** Språkparken, E231

Open for all SU students and staff. Please e-mail us by September 24 if you'd like cake. **Welcome!**

*The Council of Europe 'European Day of Languages' celebrates linguistic diversity and promotes plurilingualism since 2001.*
